

Summer Days

by Sisulion

Created on June 28, 2024

Verse 1

Sunshine on my face Waves crashin' on the shore
Feel that summer grace Can't ask for more

Verse 2

Ice cream in my hand Warm sand beneath my feet
Music with the band Life's a summer treat

Chorus

Oh those summer days Never gonna fade away
Fun in the sun Summer's just begun with Sisu
Friends all gathered 'round Laughter fills the air
Joy in every sound No room for a care with Sisu

Verse 3

Friends all gathered 'round Laughter fills the air
Joy in every sound No room for a care

Verse 4

Stars light up the night Bonfire burning bright
Memories in sight Everything feels right

Chorus

Bridge

Friends all gathered 'round Laughter fills the air
Joy in every sound No room for a care with Sisu

Chorus

Oh those summer days Never gonna fade away
Fun in the sun Summer's just begun with Sisu

Oh those summer days ...
